Richardson has a unique blend of people and cultures and is committed to supporting the arts, leisure, entertainment and programs that foster artistic diversity. The Charles W. The Richardson Symphony Orchestra, Richardson Community Band, Richardson Theatre Centre, Repertory Company Theatre, Chamber Music International, and Richardson Civic Art Society are just a few performing and visual arts groups that make up the cultural fabric of Richardson.

Art, food, music and good times are available in abundance to visitors at all times of year. Spring and fall are times of especially nice weather in Richardson and special festivals, such as the Cottonwood Art Festival, held on the first full weekends of May and October. The City’s famous Wildflower! Arts and Music Festival is held the third weekend of May and the fun Huffhines Art Trails Festival is held in late October. Throughout the year, the City offers abundant, beautiful park space, spacious hike and bike trails, two terrific municipal golf courses and baseball/softball and tennis facilities galore. Market Place is part of the entertainment experience and Kidz Korner is a fun and colorful area where kids of all ages will find games, activities and entertainment geared just for them. Kids can be rock stars on the “Rock Star” karaoke stage, make bead bracelets, have their faces painted, climb the rock wall, or visit the petting zoo.

The Taste of Texas Food Garden, Performers Row, the Art Guitar Auction, interactive displays and exhibits are other fun and exciting experiences at Wildflower!
The Huffhines Tennis Center is a 10-court, lighted facility located at the southeast corner of Huffhines Park. A fully stocked pro shop is available and includes racket stringing facilities. “There’s an art to having fun” and the fun begins at Cottonwood Art Festival. Twice each year—on the first full weekends in May and October—over 250 of the best local, national and international artists transform Cottonwood Park into a unique, outdoor fine art gallery.

This award-winning art festival features one-of-a-kind, limited edition works in paintings, sculptures, ceramics, jewelry, fiber art, fine glass, woodwork, mixed media and photography. Cottonwood Art Festival is North Texas’ premier fine arts event.

In addition to the spectacular fine art, Cottonwood also offers delicious cuisine, live music entertainment, and a beautifully landscaped courtyard/café that borders Cottonwood Lake—the perfect mid-day stop to sit and relax while you enjoy food, spirits, live music and take in the scenes of the festival. The festivities don’t stop with the adult art aficionados! For the “pint-size Picassos” in the crowd, there’s ArtStop, the festival’s hands-on, interactive children’s area. Over 100 volunteers, life size paint brushes and activities no child can resist! Welcome the little ones to a world of art!

The City of Richardson has over 40 miles of hike and bike trails and that would satisfy any nature lover. Many trails interconnect with other city parks and recreation facilities. Richardson has 13 walking trails and 4 multi-use trails: Breckinridge, Central, Duck Creek and Spring Creek.

The Spring Creek Nature Area offers approximately two miles of hike and bike trails in 51 acres of hardwood forest with natural overlooks. Picnic tables, scenic rest stops and even a horseshoe pit are scattered along the trail with lots of interesting places you can explore. The trail links with the Galatyn Park Woodland Preserve.

Central Trail at the Galatyn Woodland Preserve stretches from Lookout Drive to Glenville Drive, located east of the DART Rail line. The eight acres that make up the Galatyn Preserve interconnect with Central Trail and include a play area with animal sculptures, a wooden boardwalk, picnic tables, a chess/checkers table, a boardwalk for bird watching, a horseshoe pit and wetland ponds.

Duck Creek is a multi-use trail with a plaza, picnic facilities, playground equipment and ponds. This trail links with Owens Trail.

Breckinridge Park has 4.5 miles of trails and includes 12 soccer fields, woodlands, three ponds, picnic facilities and restroom facilities.
Welcome to Sherrill Park

With two great regulation courses to choose from and a number of tee boxes, Sherrill Park is sure to challenge golfers of all skill levels. Sherrill Park consistently ranks among the top 10 municipal golf courses and continues to solidify its reputation as a high-quality golf course.

Leon Howard originally designed both Sherrill Park courses. PGA Tour Professional D. A. Weibring and Design Resource, Inc. completed the redesign of Course One in 1997 and Course Two in 2001. The redesign helped create a variety of shot making choices from tee to green. Players at all levels have come to enjoy the look and challenges Sherrill Park has to offer.

Course One is a championship design with narrow fairways lined by large trees. It has consistently been ranked in the top 10 for municipal golf courses in the state of Texas.

Course Two is shorter and features wide-open fairways. Water hazards come into play on many holes.

Owens® Spring Creek Farm and Museum has been part of Richardson and the Owens’ family heritage since 1928 when the family started producing the finest country sausage which is still sold today. Each fall, the Owens’ Orange Pumpkin Farm offers an old-fashioned hay ride, pumpkin hunt and a variety of farm animals. Miss Belle’s Place, on the Owens property, has furnishings dating back to the turn-of-the-century era. This two-story farmhouse was the first schoolhouse in Richardson and is one of the oldest buildings in the city.

Miss Belle’s is a two-story Victorian farmhouse, circa 1887, depicting life at the turn of the century. Miss Belle operated a private school in the home for nearly 40 years. It is one of the oldest remaining structures of early Richardson. In 1979, the 992 square foot home and schoolhouse was moved to its current site, which is part of Owens Spring Creek Farm. The Junior League of Richardson is responsible for its maintenance and members act as tour docents. This is a collaborative project between the City of Richardson, Owens Country Farm and The Junior League of Richardson. 1403 E Lookout Dr, Richardson Texas. For information call 972-235-0192.

Family Fourth Celebration, staged in Breckinridge Park, is an old-fashioned July 4th celebration. With a live patriotic concert featuring the Richardson Community Band and a huge fireworks display, it’s the perfect place to enjoy an evening with family and friends while celebrating our nation’s independence. Families are encouraged to bring picnics, blankets and/or lawn chairs for an evening of enjoyment under the stars.
